results from the 2/3/91 UWA show at el Toreo

1. The main event saw el villano IV defeat el Engendro in a mask versus mask match. What a surprise! el Engendro turned out to be Paul Larios, from Ciudad Juarez, Chihuahua, Mexico. el villano IV won the third fall with a "rana" as the fans counted along with the referee (lots of heat). Both men bled a lot, too.
2. The semifinal saw Rambo, The Killer, and Fishman defeat Dos Caras, Enrique Vera, and el villano III two falls to one via disqualification in the third fall.
3. The third had the Tortugillos Karatekas defeat Zeus Lobo Rubio, as Zeus no-showed, and Los Temerarios in a contest where the turtles were praised for their final fall dives.
4. The segunda had el Fantasma, el villano I, and el villano V defeat Kahos, Doctor Wagner Junior, and Babe Face two falls to one.
5. La inicial had a ladies match with Lady Apache and la Piosa de Plata vs. la Arpia and Neftaly; no result was reported (I know you're crushed about that).

Steve Fin.

The main event is el Viallno IV vs. el Engendro in a mask vs. mask match. Actually, in one area of OVACIONES, it is referred to as a mask vs. hair match. I don't care if Engendro is putting up a mask a hair, a wife, a car, a house, or all the tea in China, he ain't winning.

The semifinal is Dos Cara, Enrique Vera, and el Viallano III vs. The Killer, Rambo, and Fishman, which will further the current feud between Vera and The Killer.

The Tercera is so bizarre. Zeus will team up with los Temerarios (Shue, El Guerrero, Jose Luis Feliciano, and Black Terry) to face (are you ready for this?) "los Tortugillos Karatekas!" Same costume as the Ninjas! Why, Carlos Maynes, why? Just a guess, but maybe the comic company did not get paid a licensing fee by the AWWA who copied the names and costumes exactly, and maybe Maynes was willing to pay the fees...

The Segundo is el Villano I, el Villano V, and el Fantasma versus Babe Face, el Inomito, and Kahos..

The Inicial is a ladies match with Lady Apache and la Diosa de Plata versus Neftali and la Apia.

One thing I forgot to mention in the story on the el Villano IV versus el Engendro match for Sunday, they have waived the normal stipulation that in case of a draw, both wrestlers will lose their masks. Now, the match will just be restarted or continued. I think that is stupid; I liked the "in case of a draw" stipulation the way it was!
